Theme Reflection: Each teen has a different perspective of how God sees them. Sometimes, we get caught up with comparing ourselves or judging others for what they have or don't have that we forget the important thing: God doesn't care about all the “riches”. He cares that we see ourselves through his eyes. In the first reading, Saint James reminds us that “you shall love your neighbor as yourself” but often, with social media, we are judging others, or worse, ourselves. No one likes to be judged so why would we do it? Our vision is blurred when “we are thinking not as God does, but as human beings do” because society forces us to live up to unrealistic expectations that can get exhausting and overwhelming. The Gospel of Mark reminds us that we can reject the things of the human world that keeps us away from seeing each other through God’s eyes.

Teens and the whole church needs to see "Through God’s eyes" so we can fight the injustices that are tearing us apart as human beings. Not judging a person for who they love or where they are from but rather loving them because they are, who they are. Looking through His eyes, he shows us how perfect we are in ways that he has created us to be. Come and get ready to see yourself with those new lenses, 20/20 Through God’s Eyes!
**Liturgyn**: Archbishop Jose Gomez will preside at the Youth Day Liturgy. The Youth Day Choir and Musicians will be directed by Ed Archer, from Our Lady of Perpetual Help in Santa Clarita, CA.

**Priests**: All priests attending Youth Day must be registered for the day. Priests wishing to concelebrate Mass are asked to bring an alb and stole. Priests should report to the sacristy by 8:00am.

**Collection**: Each year, a collection is taken during our Youth Day Liturgies. A portion of this collection goes to support the Youth Ministry Division’s efforts to form youth leaders and encourage youth participation in our various programs and leadership camps. These funds make scholarships available for these local, regional, and national opportunities. The other part of our collection is donated to key organizations in an effort to support their work. This year, our primary collection beneficiary is Union Rescue Mission in Los Angeles. Young People on the Youth Day Coordinating Team have asked that funds support the outreach for emergency services of families with teens. To find out more about Union Rescue Mission of Los Angeles, visit their website at www.urm.org. We encourage you to prayerfully consider making a contribution. Thank you in advance.
Sacred Space: Sacred Space provides a quiet place to pray in the chapel, reflect, or walk the labyrinth. It offers a place to take a respite from the busy day. Each year a themed multi-media exhibit is presented that both inspires and challenges the people of God to live the Gospel more fully.

Sacred Space can be found in ACC North on the 100 level in rooms 151 and 152. Sacred Space will open at 7:30am on Youth Day and remain open until 4:00pm.

Youth Day offers 14 workshop selections for young people to choose from. These workshops are presented on a variety of topics relevant to the faith life and development of a teen. Workshops will be presented in a variety of settings: round table, open space, and traditional seating. The use of music and audio visual aids will enhance many of the workshops.

We invite you to review our workshop selections. Groups will be invited to decide onsite which workshops they would like to attend. Providing that young people are chaperoned at all times, larger groups are welcome to split into smaller groups that attend different workshops. Seating will be on a first-come, first-served basis. We ask that groups do not save seats and that you become familiar with the offerings in advance. In the event that a room reaches capacity, groups will be directed to select another workshop.
